Legend Lighting is pleased to offer our partners in the building and design industry an exclusive program tailored for your needs.

We want to be a valued resource to help you find the right lighting for any project of any size on any budget. In addition to the excellent family-style customer service that all our customers enjoy, you will benefit from the following perks:

Access to preferential pricing, providing great value on the products you need.

Access to a dedicated sales representative who will be a resource for both you and your clients should they need to make selections in the showroom.

Your own, private log-in credentials for our web site with access to your exclusive pricing and the ability to edit and save your own wish lists and projects.

Access to turn-key installation services in coordination with our sister company, PowerHouse Electrical Services, Inc.

Access to exclusive sale and showroom events such as Continuing Education Units, product demonstrations, and networking happy hours.

Updates on the latest trends and technologies in lighting.

To begin participating right away, simply fill out this enrollment form and provide either documentation of your affiliation with a professional design or building trade organization or a copy of your state business license, tax ID, or employer ID.

Let's *illuminate the possibilities* together.  
Partner's Advantage, exclusively from Legend Lighting.
